

INDEPENDENT OFFICES APPROPRIATION ACT, 1945

SEC. 213. After January 1, 1945, no part of any appropriation or fund made available by this or any other Act shall be allotted or made available to, or used to pay the expenses of, any agency or instrumentality including those established by Executive order after such agency or instrumentality has been in existence for more than one year, if the Congress has not appropriated any money specifically for such agency or instrumentality or specifically authorized the expenditure of funds by it. For the purposes of this section, any agency or instrumentality including those established by Executive order shall be deemed to have been in existence during the existence of any other agency or instrumentality established by a prior Executive order, if the principal functions of both of such agencies or instrumentalities are substantially the same or similar. When any agency or instrumentality is or has been prevented from using appropriations by reason of this section, no part of any appropriation or fund made available by this or any other Act shall be used to pay the expenses of the performance by any other agency or instrumentality of functions which are substantially the same as or similar to the principal functions of the agency or instrumentality so prevented from using appropriations, unless the Congress has specifically authorized the expenditure of funds for performing such functions.
